RECEIVED

RE: PSCW Docket 137-CE-139: ACT's North Madison to Huiskamp Transmission Project

Judge Marion;

We are filing as concerned citizens and request full party status in the above referenced matter. As rate-payers, we question the effectiveness of the American Transmission Company's proposed transmission projects in Dane County.

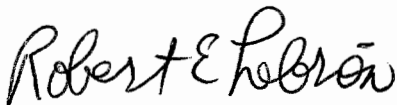

We are requesting full party status in the above referenced matter so as to assert our interests in the issues of the case. It would be most appropriate for the PSCW to deem this application as incomplete, since the ACT has failed to respond to all of the PSCW information requests, including information on the effects of conservation & renewables; and because the ATC has failed to provide credible justification of need, among other things.

All rate-payers will be affected by the PSCW decision regarding the ACT's North Madison to Huiskamp Transmission Project. Our interests will not be represented by other parties. Please direct all correspondence on this matter to:

Robert & Robyn Lebron  
1124 Bluebird Trail  
Waunakee, WI 53597

Thank you for your attention to this request.

Sincerely,

Robert E. Lebron
